**Date:** 12<sup>th</sup> January 2023

**Venue:** Radhe Shayam Old age Home, Nallakunta

### **Introduction:**

In honor of Swami Vivekananda's Jayanti (birth anniversary), the Eco-Club organized a visit to Radhe Shayam Old Age Home on 12<sup>th</sup> January 2023. This initiative aimed to spread the spirit of service and social responsibility championed by Swami Vivekananda while fostering intergenerational connection.

### **Activities:**

- **Distribution of Provisions:** The Eco-Club, through generous donations collected from MBA students and faculty, provided the old age home with a month's worth of essential provisions. This included items like pulses, oil, sugar, tea powder and jaggery.
- **Interaction with Residents:** Eco-Club members spent quality time with the senior citizens at the home. They engaged in conversations, shared stories, and offered companionship. The interaction brought joy and laughter to both the residents and the students.
- **Meeting with Ms. Krishnakumari:** The Eco-Club representatives had a fruitful discussion with Ms. Krishnakumari, the owner of the old age home. They learned about the home's operations, the challenges faced by its residents, and how the Eco-Club could potentially contribute further in the future.

### **Outcomes:**

The visit to the old age home was a resounding success. The Eco-Club fulfilled a vital need by providing essential supplies. More importantly, the interaction with the residents fostered a sense of community and well-being. The insights gained from Ms. Krishnakumari will guide the Eco-Club in planning future initiatives to support the elderly population.

### **Next Steps:**

The Eco-Club plans to continue its relationship with Radhe Shyam Old Age Home. We will explore further avenues for support, such as organizing regular visits, hosting entertainment events, or undertaking volunteer work to assist with the home's daily needs.

### **Conclusion:**

This visit to the old age home not only embodied the spirit of Swami Vivekananda's teachings but also served as a powerful reminder of the importance of social responsibility and intergenerational connection. The Eco-Club remains committed to making a positive impact on the community and its most vulnerable members.
