Faculty In charge

The Kaizen Club is student club dedicated to shaping future leaders by fostering holistic development. Inspired by the Japanese philosophy of Kaizen—which stands for continuous improvement to "change for the better"—It focuses on continuous improvement, leadership, and innovation among students. The club encourages its members to constantly enhance their skills, knowledge, and business acumen.

Our Mission

To create a collaborative platform where aspiring leaders and managers can explore and sharpen their problem-solving abilities, develop critical thinking, and adopt a mind-set of growth and improvement in business management. We aim to bridge the gap between academic learning and real-world business practices, empowering students to take charge of their professional journeys.

Key Activities:

Management Simulations which include Engaging activities such as case study analysis, role plays, and management games. Encourages vents where students showcase their business acumen through presentations, debates, and entrepreneurial challenges.
